Private 5G

# Packet-loss during handover

A large yellow off-highway dump truck is the central focus, parked on a gravel path in a quarry. In the background, several excavators are working on a steep, rocky hillside. The sky is filled with dramatic, colorful clouds from a setting or rising sun, casting a warm glow over the entire scene. The text "Off Highway 5G" is overlaid in a bold, yellow font on a dark grey rectangular background.
